To Whom it May Concern:

This response is in reference to MUR 7375. To my knowledge all campaign disbursements that my committee received have complied with all federal campaign finance laws and regulations.

For your information I did not send a Campaign Committee notice because I ran in 2016 which is the old Campaign and David Boatright was the Campaign Treasure. In this new 2018 race my Campaign Treasurer is Mr. Rogelio Guerra.

The amended statement of candidacy was filed on 04/28/2018 to my knowledge or there was an issue with the committee previous treasurer and I was not aware that the statement of candidacy was not filed. The previous treasurer stopped working with our Campaign on 11/04/2016 and I was made aware of the errors on or about 04/24/2018 an immediately were corrected by Mr. David Boatright and my new treasurer Rogelio Guerra summited the 12 day pre run-off report (04/01/18 – 05/02/18) on 05/04/2018 which makes the reports up to date.

In closing I' am sending you copies of disbursements of purchases that were made to pay for 4x4 signs, 4sx8 signs and business cards etc..... Also, I strive to comply with rules and regulations from FEC because that is the just thing to do and another reason is I've got my own personal funds invested on this so important Campaign.

Any questions or concerns please don't hesitate to call. **I PRAY that this response will settle this misunderstanding.**

PS. Here are just a few of receipts on hand, if any additional receipts or paperwork is needed please let me know.

Respectfully,
Raul "Roy" Barrera
